

**Directions to the Blinking Light Gallery**  
16 Main St. Plainfield, Vermont 05667 802-454-0141

From Montpelier, take US RT. 2 East to Plainfield village. Continue on US RT 2 past the Health Center and the Post Office on your right. Continue through the upper village to the intersection with the blinking light traffic signal. Turn right down the hill. The Gallery is just one building down on your right.

From St. Johnsbury, take U.S. 2 West. On approach to Plainfield, you'll see Tim's convenience store on your right. A short distance after that, turn left at the "vee" before the blinking light traffic signal, down into the lower village. You'll see the Gallery just ahead. **This is a tricky intersection. Keep an eye peeled for traffic turning off US RT 2 from the West.**

Parking is downhill around the corner in the Mill St. lot, or around the village as marked.
